## news release

### **Greg Shymske Named Vice President of Marketing for Composites One**

---

**Arlington Heights, IL, December 2, 2005...**Composites One has named Greg Shymske Vice President of Marketing. Mr. Shymske, currently the Director of Marketing, assumes his new role immediately.

Mr. Shymske began his tenure at Composites One as North Region Sales Manager in 2000. In 2001 he was named Director of Marketing, where he has worked to establish Composites One as a leading brand in the market place. He also worked to develop effective supplier relations and partnerships contributing to the overall growth of the company. Prior to joining Composites One, Mr. Shymske was employed by Owens Corning. For nearly 20 years he held various sales and marketing leadership positions including Marketing Director for the Composites Division. Mr. Shymske also holds an Undergraduate Degree in Business from Bowling Greene University in Ohio, and a Masters Degree in Business Law from Butler University in Minnesota.

In his new position, Mr. Shymske will continue to focus on growing the Composites One brand and building the company's strength in the market place through strategic alliances with its many suppliers.

Leon Garoufalis, President and COO of Composites One, said, "Greg's many accomplishments, combined with his broad strategic view of our industry, have earned him this important recognition."

*more*

Mr. Shymske will continue to be based in Arlington Heights, Illinois, at the company's headquarters and will report to President and COO, Leon Garoufalis.

Composites One is the nation's leading distributor of composite materials serving customers from 32 stocking locations in North America. Composites One offers composites fabricators and molders over 1000 different products from over 200 of the industry's top suppliers through a technical sales and customer service force that is the most knowledgeable in the industry. The company offers a variety of value added services that include customized logistics services, technical applications reviews, and unmatched regulatory compliance assistance.

Composites One is headquartered in Arlington Heights, IL. To find more information visit [www.compositesone.com](http://www.compositesone.com) or call 800-621-8003.
