Composites One LLC Earns Occupational Safety Award

Arlington Heights, IL, May 7, 2008...Composites One LLC has been honored by the National Safety Council with an Occupational Excellence Achievement Award. This award is a component of the National Safety Council's member-exclusive Occupational Awards Program, created to recognize outstanding safety achievements among members. The award recognizes Composites One LLC for having less than or equal to 50% of the Bureau of Labor Statistics (BLS) reported injuries and illnesses within its class.

As an award winner, Composites One LLC has helped set the standard for what the National Safety Council considers to be the best of the best in safety and safety performance. "We are proud to be recognized by the National Safety Council. We are committed to providing a safe work environment for all of our employees, whether it is in our corporate office, distribution centers, or on the road," said Bill Rudersdorf, Director of Health, Safety, and Environment at Composites One LLC.

For 95 years, the National Safety Council has helped organizations develop, implement, and improve their safety and health programs. The National Safety Council is a nonprofit, nongovernmental, international public service organization dedicated to protecting life and promoting health. The primary focus of the National Safety Council is preventing injuries on highways and in homes, workplaces, and communities. For additional information about the National Safety Council, visit www.nsc.org.

Composites One is the nation's leading distributor of composite materials serving customers from 35 locations in North America. Composites One offers composites fabricators and molders thousands of products from over 200 of the industry's top suppliers through a technical sales and customer service force that is the most knowledgeable in the industry. The company offers a variety of value added services that include closed mold technologies, technical applications reviews, and unmatched regulatory compliance assistance.

Composites One is headquartered in Arlington Heights, IL. To find more information visit www.compositesone.com or call 800-621-8003.
