Composites One Presented with 2014 Gold Award from Great West Casualty Company

This Award Represents the 13th Time That Composites One has Received Special Recognition

Arlington Heights, Ill., July 15, 2015...Composites One LLC was presented the Gold Award by Great West Casualty Company as a part of the 2014 National Safety Awards Program. This is the 13th consecutive year that Composites One LLC has been named an award recipient by Great West.

The National Safety Awards Program recognizes carriers in similar operations (truckload and less than truckload) with awards based on their year-end preventable accident results. Carriers are eligible to receive a Platinum, Gold, Silver or Participatory award. This past year, the program drew more than 750 participants from across the country.

“The Composites One organization takes immense pride in being recognized again this year by Great West,” said Leon Garoufalis, President for Composites One. “Maintaining safety in all aspects of our day-to-day operations is a core value at Composites One and translates directly to our value proposition for customers in quality service and dependability. Our outstanding safety record is a result of our company-wide focus on safety and compliance.”

Great West Casualty Company is the nation’s leading provider of property and casualty insurance for the trucking industry. With more than 50 years of experience, Great West offers risk management, underwriting claims, and loss control services exclusively to the trucking industry. Great West is headquartered in South Sioux City, Nebraska, and has regional offices in Meridian, Idaho; Bloomington, Indiana; Knoxville, Tennessee; and Arlington, Texas.
