Composites One Presented with 2015 Platinum Award from Great West Casualty Company

Award Represents 14th Consecutive Time Composites One has been Named a Recipient

Arlington Heights, Ill., June 15, 2016...Composites One was presented the Platinum Award by Great West Casualty Company as a part of its 2015 National Safety Awards Program. This is the 14th consecutive year that Composites One has been named an award recipient.

The National Safety Awards Program recognizes carriers in similar operations (truckload and less than truckload) with awards based on their year-end preventable accident results. Carriers are eligible to receive a Platinum, Gold, Silver or Participatory Award. This past year, the program drew over 675 participants from across the country.

“Composites One is proud to once again receive this recognition by Great West,” said Leon Garoufalos, President for Composites One. “Maintaining safety in all aspects of our day-to-day operations is a core value at Composites One and translates directly to our value proposition for customers in quality service and dependability. Composites One leads the industry with our safety record which is a result of our company-wide focus on safety and compliance each and every day.”

Great West Casualty Company is the nation’s leading provider of property and casualty insurance for the trucking industry. With more than 50 years of experience, Great West offers risk management, underwriting claims, and loss control services exclusively to the trucking industry. Great West is headquartered in South Sioux City, NE, and has regional offices in Meridian, ID; Bloomington, IN; Knoxville, TN; and Arlington, TX.
