

GOING GREEN

GT is the most versatile of the American® brand portfolio of masking tape for use within the automotive refinishing market. GT was specifically formulated to provide a secure bond to a multitude of surfaces while preventing lift or overspray while painting. The flexible green backing ensures conformable performance around any surface with ease. GT is capable of withstanding temperatures up to 225°F (107°C) for one hour with clean removal. For the best finish, get the best start with American Brand GT!

- Flexible backing for excellent conformability and ease of application
- Specialized adhesive platform that ensures clean, one-piece, removal
- Excellent wet sanding properties
- Low profile light green backing for superior visibility of masked areas
- Heightened bonding to backing for increased shingling performance
