

# HSE Bulletin

---

Department of Health, Safety & Environment 2015 Compliance Reminder

January 2015

- February 1:** Companies are required by OSHA to post Recordkeeping Form 300A must be posted through April 30th OSHA Recordkeeping <https://www.osha.gov/recordkeeping/>.
- March 1:** EPA Section 312 (Tier II) reports are due. Facilities that store 10,000 lbs. or more of any hazardous chemicals on-site at any one time or threshold planning quantities of Extremely Hazardous Substances must file. Some states have lower reporting thresholds – check out <http://www2.epa.gov/epcra/state-tier-ii-reporting-requirements-and-procedures> for state requirements and to download reporting software check out <http://www2.epa.gov/epcra>.
- EPA Annual Hazardous Waste Reports are due for Large Quantity Generators. Some states require reports from Small Quantity Generators as well. Contact your state for local requirements. <http://www.epa.gov/solidwaste/hazard/generation/index.htm>.
- June 1:** In compliance with Globally Harmonized System of Classification and Labelling of Chemicals all goods manufactured after **June 1, 2015** must have GHS labels and GHS compliant Safety Data Sheets. Composites One is working to add the new Safety Data Sheets into the B2B system as we receive them from the manufacturers. More information at <https://www.osha.gov/dsg/hazcom/>.
- June 30:** DOT Hazmat Registration due for those who offer or transport hazardous materials (or waste) that require placarding. More information at <http://phmsa.dot.gov/hazmat/outreach-training/registration-program>.
- July 1:** EPA Section 313 (Form R) reports are due. More information at <http://www2.epa.gov/toxics-release-inventory-tri-program/basics-tri-reporting>.

## Some Annual Training Requirements for Safety Meetings:

- Hearing Conservation (and annual audiograms)
- Fire Extinguisher Training; Review of Lockout Procedures and/or Electrical Safety
- Employee Rights to Exposure and Medical Records Review
- Annual Respirator Fit Testing
- HAZWOPER Emergency Responder Training
- EPA Hazardous Waste Handlers Training.
