

# FLY AWAY WITH COMPOSITES

**AUGUST 21 - 22 • DAVIS TECHNICAL COLLEGE • SALT LAKE CITY**

Composites One and the Closed Mold Alliance in partnership with IACMI - The Composites Institute invite you to attend Fly Away with Composites!

Fly Away with Composites is focused on exploring advanced materials and processes used in advanced composites markets like Aerospace and Consumer Recreation. During this day and a half workshop, leading professionals and industry experts will provide engaging presentations and hands-on demonstrations. Workshop topics will focus on thermoplastics, autoclave and out-of-autoclave prepreg curing processes, carbon fiber integration, 3D printing, vacuum infusion, high temperature tooling, maintenance repair and overhaul (MRO), thermoforming, and so much more!

**Register online at [www.flyawaywithcomposites.eventbrite.com](http://www.flyawaywithcomposites.eventbrite.com)**

Hosted At:  
**Davis Technical College**  
550 E 300 S  
Kaysville, UT 84037

# TRAVEL
